360x180 Panorama

ADVERTISE WITH 360 VR PHOTOGRAPHY

A virtual 360x180 panorama is ideal for showcasing a scene (in every direction) that regular photography can't do.

All 360x180 Panoramas include:

- High Resolution Digital Photography
- 360x180 Equirectangular Panorama
- HTML5 Ready
- Flash Ready (on request)
- Quick Time Ready (on request)
- Multi Resolution Panorama
- Hot Spots
- Media Spots
- Web Ready

Rates are formulated by travel expense, production equipment and time, post processing and media usage.

Some Example (out of town) Expenses:

- Travel time and production (equipment use and time) on location.
- Driving own car (\$ 1.55 per mile plus \$25 per hr)
- Airline (budget)
- Rental Car (budget)
- Other forms of transportation (if needed)
- Room & Board (budget hotel and \$125 daily meal per diem)
- Deposit is required for out of town travel

(out of town rates may be waived if travel is arranged by client)
